

SIDDARTH MEWARA

React Developer | JavaScript Developer

8824132597 | siddarth.mewara597@gmail.com | GitHub: github.com/Mewara597 | Jaipur, Rajasthan

PROFILE

React Developer with 2+ years of experience building web applications using React.js, JavaScript (ES6+), Node.js, MongoDB, Shopify, HTML5, CSS3, and REST APIs. Experienced in reusable UI components, API integration, responsive interfaces, performance optimization, and JavaScript solutions across 200+ Shopify themes. Strong focus on frontend development, clean code, problem-solving, and client-focused solutions.

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Responsive Design

Backend: Node.js, REST APIs

Database: MongoDB, Elasticsearch

Development: Reusable UI Components, API Integration, Performance Optimization, DOM Optimization, Code Refactoring

Platform: Shopify, Shopify Product & Cart APIs

Tools: Git, GitHub

PROFESSIONAL EXPERIENCE

Jr JavaScript Developer — Spicegems Pvt. Ltd., Kota

- Designed and implemented scalable JavaScript solutions across 200+ Shopify themes, delivering custom storefront features and reusable components.
- Developed dynamic discount functionality using Shopify Product & Cart APIs, supporting real-time pricing and cart updates.
- Improved frontend performance by replacing third-party libraries, optimizing DOM operations, and refactoring legacy JavaScript code for better maintainability and execution.

Data Analyst — Secure Learning Pvt. Ltd., Udaipur

- Automated recurring data-processing workflows using Node.js, cron jobs, and MongoDB, reducing manual effort and improving data accuracy.
- Contributed to MongoDB-to-Elasticsearch data migration by developing data transformation and indexing scripts, supporting data integrity, search performance, and reporting.

CAREER BREAK

Career Break — Personal Reasons

Took a career break for personal reasons and used the period to strengthen skills in React.js, JavaScript, Node.js, and full-stack web development.

PROJECTS

Blog Website | React.js | Node.js | Express.js | MongoDB

- Developed a full-stack blog application using React.js, Node.js, Express.js, and MongoDB.
- Implemented frontend functionality with React and integrated the application with backend APIs.
- Used MongoDB for application data storage and Express/Node.js for backend API development.

INTERNSHIP

Make In India — IIT Bombay, Mumbai

- Collaborated with researchers and faculty at IIT Bombay on emerging clean-energy technologies.
- Presented research findings and recommendations on the Future of Green Energy to IIT Bombay professors and an international delegation from Japan.

EDUCATION

B.Tech — Electrical Engineering | Government Engineering College, Jhalawar, Jhalrapatan

Higher Secondary | SALP Sr. Sec. School, Bhawani Mandi
